City of Santee Extends Curfew Order on June 2 at 7 p.m. until June 3 at 6 a.m.

The City of Santee has extended its curfew for another night, effective Tuesday, June 2 at 7:00 p.m. until 6:00 a.m. on Wednesday morning June 3, 2020.

For the past two evenings, large gatherings have occurred in the City of Santee, which have created threats to public safety and property and are in violation of current public health orders. Based on credible information, the City believes these large gatherings could occur again tonight. The extension of a curfew will help in keeping the community of Santee safe while protecting our residents and local businesses.

We are asking residents to again please stay home and stay safe with your families, starting at 7:00 p.m. tonight, an hour earlier than the previous nights. You should not be out on public streets unless you need to travel to work, seek medical care or are experiencing an emergency situation.
