**City of Santee Extends Curfew Order for Two Additional Nights for Parts of Santee – Thursday, June 4 and Friday, June 5**

The City of Santee has extended its curfew for two additional evenings from June 4, 2020 at 7 p.m. until June 5, 2020 at 6 a.m. and again Friday, June 5, 2020 at 7 p.m. to Saturday, June 6 at 6 a.m. This Curfew applies to the portions of the City located to the south of Mast Boulevard (including all of Mast Boulevard), east of Carlton Hills Boulevard (including all of Carlton Hills Boulevard), west of Magnolia Avenue (including all of Magnolia Avenue itself) and north of Highway 52.

For the past four evenings, large gatherings have occurred in the City of Santee, which have created threats to public safety and property and are in violation of current public health orders. Based on credible information, the City believes these large gatherings will continue to occur. The extension of the curfew will help in keeping the community of Santee safe while protecting our residents and local businesses.

We are asking residents and visitors in this area to please stay home and stay safe with their families unless they need to travel to work, seek medical care or are experiencing an emergency situation or homelessness.
