FACT: Measure N will increase traffic, not decrease it. Measure N threatens \$66M funds earmarked for traffic improvements in Santee and to SR52.

FACT: Measure N will make Santee less safe and cost taxpayers millions. The measure threatens plans for a new Fire Station and \$13M for Fire, Paramedic and Sheriff's Department funding.

FACT: Measure N would require churches, small businesses and private property owners to fund an expensive special election and wait TWO YEARS for a decision from Voters. Plans for new restaurants, medical facilities and a movie theater could be blocked by Measure N.

FACT: Measure N would cost our local schools and community college over \$9 million dollar in revenue a year.

FACT: Measure N will create only very expensive estate lot homes that only the wealthy can afford at a huge cost to other residents.

This measure makes life harder for nearly every resident of Santee and will only benefit the radical activists who do not face the daily challenges that average Santee families face.

PROTECT SANTEE'S BRIGHT FUTURE! PLEASE VOTE NO ON MEASURE N!
